

BMAF ROAD RELAY AGE GROUPS

The M35 age group is now well established, and the single M35-39 age group has become an anomaly, in 10 year age group Relay Races.

We have received a proposal that from 2011, the age groups for MEN replicate those for WOMEN and the age groupings under EVAA Non-Stadia Team Rules for Road events, namely:

M35-44 / M45-54 / M55-64 / M65-74 / M75+
